NEIGHBOURHOOD WATCH

You may have received a note through your door from 500TON LTD. who want to collect clothes, children's toys, shoes etc on behalf of Heartbeat UK.

Heartbeat are a legitimate charity but they have never heard of 500 Ton Ltd and this appears to be a scam. Trading Standards have been informed and it is very unlikely that your clothes will go to a charitable concern if you put them out for a collection.

END.
