CHURCH YOUTH GROUP

For 10 young people from St. Peter's and St. Mary's Church, the school holidays began with a weekend away together at St. Mark's college, Audley End, in order to enjoy outdoor activities and learn about Christian discipleship. St. Mark's College has been a residential youth and conference centre since 1993, but it is steeped in history, with it's chapel - which is still used - dating back to 1258. The youngsters enjoyed a wide range of activities including archery, adventure courses, a low ropes course, a night walk and some art and craft in the new Arts and Crafts and Environment Centre. The theme for the weekend was 'The Disciples', and we were encouraged to take a closer look at who these people were who accompanied Jesus, and why they left their homes, families and jobs to follow him. The weekend finished with a service which was put together by our young people and the two other youth groups who were at St. Marks. It was a wonderful end to fantastic weekend which everyone really enjoyed. Our special thanks go to Elizabeth Schofield, who organised a fund raising barn dance, enabling the event to take place.
