PLANT SALE

The Methodist church annual Plant Sale will be held on Saturday 15th May. Please bear us in mind when you are gardening should you find you have plants, shrubs, cuttings, gardening books etc to spare.

LITTLE OWLS PRESCHOOL

Following receipt of the grant to finance our new building, the trustees have been working to complete legal requirements so that the actual construction of the building can begin as soon as possible. We have also been making sure that the proposed building matches our requirements so that it will provide the best environment for the children.

Whilst that has been going on behind the scenes, staff and children have been looking at winter changing into spring – moving on from making snowy pictures as well as playing in the snow earlier in the term to planting beans and making daffodil pictures during March. Being situated on the playing field, the children have plenty of opportunities to see how the environment around us changes with the seasons. During the next few weeks we will be learning about all the people in the community who help us, including the emergency services, and how we can learn to stay safe. Leading up to the summer holiday we will be finding out about how people live in different parts of the world.

We have just a few spaces available for new children for the summer term. We will soon be allocating places for the autumn term, so please contact us if you would like your child to start in September. We are open daily from 9.15 to 3.15 during term time, and are able to accept children between the ages of 2 and 5 years. If you would like to know more about Little Owls or would like put your child's name on our waiting list please have a look at our website www.littleowlsboxted.co.uk, email us at littleowlsboxted@live.co.uk or phone us on 07712641553.
