## **CLOSURE OF STRAIGHT ROAD**

From February 18 between 7.30 am and 4 pm to allow the construction of a new footway between Eastside and The Wig and Fidgett. This work could last up to four weeks. Access to properties will be maintained. This work has the potential to cause chaos. The contractors maintain that the road has to be closed because it is not wide enough to comply with health and safety criteria. Local people in cars will be able to negotiate alternative routes but any lorries or buses will find the narrow alternative lanes difficult especially if two lorries have to pass. Any businesses or residents who are expecting deliveries by lorry please be aware of the problems and notify the company before the delivery.
