BOXTED ROYAL BRITISH LEGION

This year the Royal British Legion is celebrating 60 years in Boxted. The exterior of the club hut appears austere, it being two Nissan huts joined together but inside the atmosphere is very welcoming, with pool table, dartboard and wide screen TV. Members are encouraged to bring their families (including children) with them for a quiet drink or take part in an organised function.

The Diamond Jubilee celebrations start on July 19. The club and branch are holding a joint open day from 2 pm to midnight. We extend a warm welcome to prospective new members and their families. The afternoon kicks off with a burger and a banger barbecue until 8pm at a cost of £2. During this time there will be quizzes for adults and children, a white elephant stall, a lucky dip for children, a raffle and a chance to win a ride in a Piper Cub. Weather permitting, the Piper Cub will fly past the club premises at low altitude. The evening concludes with a disco from 8pm until midnight. All proceeds from the day will be going to the Poppy Fund. Further details from Jo Shore 01206 272545
